# MEIKOFINANCE

It's now even easier to own a MEIKO!

We have made it even easier to own top-quality MEIKO warewashing technology. How? With our new **0%** flexible finance options. We have put together some great all inclusive finance packages across our most popular machines so you can now have payment convenience and hygiene assurance.

## MEIKO hygiene and convenience

We reliably calculate the optimum option for you, tailored to your machine requirements.

This means that you could have a brand new M-iClean including a reverse osmosis system (GiO MODULE), full service warranty, chemical agents, installation and so much more with one of our **MEIKOFINANCE** packages.

## 0% Finance packages include:

- Three (3) year parts and labour warranty
- One (1) planned maintenance visit per year
- Chemical starter pack
- Glass or dish basket set
- Installation to a clear site
- Machine commissioning
- Disconnection & removal of existing machine
- UK mainland delivery (excludes Northern Ireland)

Premium undercounter glass and dish washing machine

## M-iClean U Series

- Perfect for the **Hospitality** sector
- GiO technology option - no need to polish glasses, spotless wash results
- Advanced filtration, cleaning and energy saving functions
- Hygiene and cleanliness assured

\*Finance subject to status. Terms and conditions apply

**If you are interested**, please fill in the form and send it back to us and we will get in touch with you as soon as possible.
